## STATEMENT OF OBJECTS AND REASONS

The Chit Funds Act, 1982 was enacted to provide for the regulation of chit funds which are indigenous business in India and have conventionally satisfied the financial needs of the low-income households. The chit is a mechanism which combines credit and savings in a scheme, in which a group of individuals come together for a pre-determined duration and subscribe a certain sum of money by way of periodical instalments and each such subscriber, in his turn as determined by lot or by auction or by tender or any other specified manner, gets the collected sum. In this way, people who are in need of funds and those who want to save are able to meet their requirements simultaneously.

2. In past, concerns had been expressed by various stakeholders regarding challenges being faced by the chit business. Therefore, the Central Government constituted a Key Advisory Group on Chit Funds to review the existing legal, regulatory and institutional framework for Chit Funds and its efficacy and to suggest legal and regulatory initiatives required for orderly growth of the said sector. The Key Advisory Group submitted its recommendations relating to improvements in the institutional and legal structure to further develop the chit business in order to reduce the regulatory burden of the chit business and to protect the interest of the subscribers of the chits.

3. The Parliamentary Standing Committee on Finance (Sixteenth Lok Sabha), in its twenty-first Report on Efficacy of Regulation of Collective Investment Schemes (CIS), Chit Funds, etc., had also recommended to finalise the legislative and administrative proposals for strengthening and streamlining of the registered Chit Fund sector. Further, the said Committee, in its thirty-fifth Report on the Action Taken by the Government on the Recommendations contained in the twenty-first Report, had recommended the need to quickly firm up the legislative and administrative proposals for the Chit Funds sector.

4. In view of the above, it has been decided to amend the Chit Funds Act, 1982. Accordingly, the Chit Funds (Amendment) Bill, 2018, *inter alia*, proposes—

(a) the use of “fraternity fund” also for chits by amending sections 2(b) and 11;

(b) to allow the mandatory presence of two subscribers, as required under section 16(2), either in person or through video conferencing duly recorded by the foreman;

(c) that where the presence of the mandatory two subscribers was through video conferencing, the minutes of proceedings should be signed by them within two days;

(d) the increase of ceiling of foreman’s commission from five per cent. to seven per cent. under section 21;

(e) to enable the foreman to have a right to lien for the dues from subscribers, so that set-off is allowed by the chit fund for subscribers who have already drawn funds, so as to discourage default by them;

(f) to amend section 85(b), so as to confer power upon the State Government to specify the amount, by notification, up to which any chit fund shall be exempted under the said section.

5. The Bill seeks to achieve the above objects.

## STATEMENT OF OBJECTS AND REASONS

There have been several instances of economic offenders fleeing the jurisdiction of Indian courts anticipating the commencement of criminal proceedings or sometimes during the pendency of such proceedings. The absence of such offenders from Indian courts has several deleterious consequences, such as, it obstructs investigation in criminal cases, it wastes precious time of courts and it undermines the rule of law in India. Further, most of such cases of economic offences involve non-repayment of bank loans thereby worsening the financial health of the banking sector in India. The existing civil and criminal provisions in law are inadequate to deal with the severity of the problem.

2. In order to address the said problem and lay down measures to deter economic offenders from evading the process of Indian law by remaining outside the jurisdiction of Indian courts, it is proposed to enact a legislation, namely, the Fugitive Economic Offenders Bill, 2018 to ensure that fugitive economic offenders return to India to face the action in accordance with law.

3. The said Bill, *inter alia*, provides for:

(i) the definition of the fugitive economic offender as an individual who has committed a scheduled offence or offences involving an amount of one hundred crore rupees or more and has absconded from India or refused to come back to India to avoid or face criminal prosecution in India;

(ii) attachment of the property of a fugitive economic offender and proceeds of crime;

(iii) the powers of Director relating to survey, search and seizure and search of persons;

(iv) confiscation of the property of a fugitive economic offender and proceeds of crime;

(v) disentitlement of the fugitive economic offender from putting forward or defending any civil claim;

(vi) appointment of an Administrator for the purposes of the proposed legislation;

(vii) appeal to the High Court against the orders issued by the Special Court; and

(viii) placing the burden of proof for establishing that an individual is a fugitive economic offender on the Director or the person authorised by the Director.

4. The Bill seeks to achieve the above objectives.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 23 of the Bill empowers the Central Government to make rules for carrying out the provisions of the proposed legislation in respect of matters, which shall, *inter alia*, include — (a) the form and manner of filing application under sub-section (1) of section 4; (b) the manner of attachment of property under sub-section (1) of section 5; (c) other matters under clause (f) of section 6; (d) the manner in which the notice shall be served under sub-section (5) of section 10; (e) any other electronic account under clause (c) of sub-section (6) of section 10; (f) the manner and conditions subject to which the Administrator shall receive and manage the property confiscated under sub-section (2) of section 15; and (g) any other matter which is required to be, or may be, prescribed or in respect of which provision is to be made by rules.

2. The matters in respect of which rules may be made are matters of procedure and administrative detail and it is not practicable to provide for them in the Bill itself. The delegation of legislative power is, therefore, of a normal character.
